WINDOW WASHING IN THE HEADQUARTERS BUILDING

1. Windows in the Headquarters Building will be washed by a commercial contractor beginning 3 March 1980. All windows will be washed on the inside and outside during normal working hours. To avoid exposure of classified or controlled material, employees should keep venetian blinds or draperies closed while contractor personnel are outside their areas.
2. Although the Office of Security will provide escorts for the inside window washing crews, employees are reminded to keep classified or controlled materials covered while workmen are in their areas.
3. Any questions or problems should be directed to the Space Maintenance and Facilities Branch, LSD/OL, extension
